**Cc:** Rollins, Christopher; Deone Mcmillan  
**Subject:** Coast Guard Storis

Heather

Please call Christopher Rollins with EPA in San Francisco, California at 415 947 4166.

Mr. Ottman called him stating that the Storis has PCBs on it and that the vessel is on its way to Mexico. I told Mr. Rollins that this vessel was reported to GSA free of PCB's and you make sure of this prior to the vessel being sold.

Thanking you in advance.
